

## Market Educator Employee Specification

### Education

- Early Childhood Education classes are a plus. If candidates do not have a degree in education, attendance in any of the ECE credits or a willingness to take these classes at Santa Rosa Junior College or Napa Valley College would be considered.

### Experience:

- Previous experience with children is a must and ideally in teaching a range of ages.
- Teaching and/or youth leadership experience in a school or non-traditional setting.
- Experience in a leadership role at a camp, school, after school program or other youth program.
- Email communication and Social Media experience.

### Personal Skills:

- A reliable person who is consistent, capable, self-directed, well organized, flexible, personable, and able to maintain composure in a changing environment.
- Ability to multi-task, work independently and follow up.
- Respectful, clear and patient interpersonal communication skill set that allows for collaborative work with the Market Manager, Board of Directors and the St. Helena community.
- Strong, professional written communication skills with access and to a computer.
- Basic computer and office skills including Microsoft Word®, Excel®, PowerPoint®, etc.
- Bilingual (English/Spanish) a plus.
- Other helpful skills include growing food, cooking, music, storytelling, artistic ability etc.

### Other:

- Has access to a car and holds a valid California driver's license
- Ideally has good connections with St. Helena Schools
- Has a passion for organic, sustainable food
- Must clear California State screening for contact with children
